SUMMARY

Passionate and detail-oriented Frontend Developer with strong skills in React.js, JavaScript (ES6+), and Tailwind CSS. Experienced in building modern, responsive web applications like e-commerce interfaces and interactive web tools. Focused on writing clean, scalable code and delivering high-quality user experiences.

EXPERIENCE

Freelance Frontend Developer 09/2025 - Present
Upwork / Self-Employed [↗]
Developed modern, responsive, and performance-optimized web applications using React.js and Tailwind CSS.
Built complete project frontends, including e-commerce platforms and interactive tools, integrating REST APIs and state management.
Ensured cross-browser compatibility and mobile-first design principles across all deliverables.

EDUCATION

General Secondary Education 09/2026 - Present
Toukh Private Secondary School - High School Diploma
